Hi Jeiko Wolf,

Please refer to enclosed products brief for RHF2S008 GW.

How many piece do you need? Are you deploying a LoRa network in Germany?

For small quantity(<5pcs), we sell at USD750/pcs, we could provide some discount with bigger volume.

BTW, enclosed are product brief of our LoRa modem and T&H sensor which could be used for your PoC.

With best regards

LiChao, Xie
