

How To Wiki

An introduction to using a wiki¹

¹ a MediaWiki powered one at least

Severin (@tiefpunkt), Jan 18th 2018

The Munich Maker Lab Wiki

Check it out at <https://wiki.munichmakerlab.de>

Consuming?

- Search
- Categories
- Special Pages
- History

Search

- There's a searchbar in the top right corner
- Searches in Page Titels right away
- Within the pages after pressing *Enter*

Categories

- Pages can be sorted into Categories
- Categories are also Pages -> Category:
<CategoryName>

Special Pages

Special Pages are pages that are generated, not to be edited.

- Recent Changes
- All Pages
- List Of Files

History

- The wiki keeps a history of all edits per Page
- No need to copy pages as a backup
- Link on top of the page

Creating!

- Create a new page
- The Editor
- Preview
- Categories
- Templates
- Files

Create a new page

"To Search is to Create"

- Search for the name of your new page
- Click on the page name to create it

The Editor

- Mediawiki specific Markup Language
<https://www.mediawiki.org/wiki/Help:Formatting>
- Internal Links
`[[<pagename>]]`
- External Links
`[<url> <title>]`
- Headlines
`== h2 ==, === h3 ===, ...`

The Editor (2)

- Unordered Lists

- * <item>

- * <item>

- Ordered Lists

- # <item>

- # <item>

The Editor (3)

- Tables

```
{| class=wikitable
! Header 1 !! Header 2 !! Header 3
|-
| Test || Test || Test
|-
| Test 2 || Test 2 || Test 2
|}
```

Preview

There is a **Preview** button underneath the editor. Please use it!

Categories

- Adding a page to a category
[[Category:<categoryname>]]
- Creating a link to a category
[[:Category:<categoryname>]]

Templates

Templates are reusable, parameterized wiki page fragments.

```
{{AttentionBox
| title=Dangerous machine ahead
| msg= Use only at your own risk, and after proper instruction!
}}
```

```
{{project
|name      = My Little Project
|status    = beta
|image     =
|description = Something to do
|author    =
|username  =
|version   =
|update    =
|platform  =
|license   =
}}
```

Files

- Upload via "Upload File" on the left sidebar
- Include in page (e.g. pictures):
[[File:Arduino PWM Audio Filter.png|400px|thumb|PWM to Line level audio filter]]
- Link to Download:
[[Media:20180112 Intro to LoRaWAN.pdf|Slides]]

Next Steps?

- Get an account:

<https://wiki.munichmakerlab.de/wiki/Special:RequestAccount>

(Link in the top right)

- Start wiki'ing
