In the club rooms there is an obligation to wear a medical mouth and nose cover (FFP2 or medical mask) when the distance from each other is less than 1.5m.

Self Check-In & Check-Out

When entering and leaving the club rooms, the check-in/-out terminal with the member card must be used. Guest shall use the provided guest tokens next to the terminal and provide the number on the form.

Guests

You can find the current guest regulations next to the login terminal!

For now (09/21), guests can be allowed to use the premises of the Munich Maker Lab e.V., if one of the present members is willing to check their 3G-status (guidelines in the wiki) and they sign the guest form.

IMPORTANT: *It is totally fine to not allow guests to enter if members are not comfortable with checking their 3G-Status!*

Further regulations:

- Hand disinfection when entering the club rooms
- Maximum of 20 people may be in the club rooms
- Cleaning objects (machines, tools, etc.) before and after use
- Regular ventilation or work outside

Please ask other members, violating these terms of use, for their compliance!

I hereby confirm

- to follow these rules
- the submission of a valid 3G-proof
- to regularly check for updated regulations on https://wiki.municmakerlab.de/wiki/Covid_Regulations
